***Response to Amendment***

1. Claims 1-12 are pending in the instant application. The amendment received 7/13/07 is acknowledged and the objections to the specification and drawings are withdrawn. Applicant's arguments, filed 7/13/07, with respect to the rejections under 112(2nd), 102 and 103 have been fully considered and are persuasive. The rejection of claims 1-12 has been withdrawn.

***Allowable Subject Matter***

2. The following is an examiner's statement of reasons for allowance: The key limitation in this allowance is the limitation "the heating element being arranged in parallel with the resistor." No prior art was found that taught this novel arrangement of a heating element.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
